

NOTES:

- Value is based on full replacement price on a NEW string as determined by OilField Guidance.
- Depreciated value of the string is not relevant to the replacement price of the string as it has to be replaced with a new string.
- OilField Guidance manufactures most components in this string, external third party pricing will not be considered. The string has proprietary technology and has no direct replacement on the open market.
- Pricing is not negotiable on replacement components.
- Other items not listed are NOT exempt. NMDC Collars and other downhole subs that are owned or rented by OFG will also be billed if lost in hole.
